Responsible Behaviour Policy 2012

Rationale
The Department for Education and Child Development (DECD) is accountable to the community, through the Minister for Education and Child Development, for managing student behaviour and for creating safe, orderly, productive and successful learning communities. This policy and code of behaviour is based on the following shared principles:

- Brighton Secondary School operates within the context of the wider society and has responsibility to prepare young people for successful participation in society
- All individuals and groups should be treated with respect at all times
- Behaviours have consequences which increase or reduce immediate and future choices
- Individuals must accept responsibility for their own behaviour according to their developmental ability.

Aims
The Responsible Behaviour Policy and Code of Behaviour aim to ensure a safe and supportive environment for learning and behaviour that reinforces school values.

The policy and code outline the responsibilities of staff, students and parents to promote appropriate and positive conduct and to prevent or minimise non-compliant and aggressive behaviours. The range of responses to inappropriate behaviours is documented as part of the Code of Behaviour.

Implementation
The Principal Team has oversight for the implementation of the Responsible Behaviour Policy and Code of Behaviour. The Principal has specific responsibilities for ensuring that the document is:

- regularly reviewed, in consultation with the school community and Governing Council, and is consistent with the DECD School Discipline Policy
- accessible to the school community and parents are aware of the school’s decision-making procedures open to them if they wish to make a complaint.

Responsibilities of teaching staff:

- Develop and foster positive relationships with students and families
- Communicate and interact effectively with students and engage in cooperative problem solving relationships to address issues faced by the learning community
- Participate in developing, implementing and reviewing the school’s procedures for managing student behaviour
- Establish, maintain, make explicit and model the school’s expectations relating to student behaviour
- Respond positively to responsible student behaviour and apply consequences if students interfere with teaching and learning and the safe school environment.

Responsibilities of Parents and Caregivers:
When they enrol a student in a school, parents or caregivers accept responsibility to:

- Ensure that the student attends school and that school staff are notified of absences
- Keep schools informed of health issues, concerns about behaviour or other matters of relevance
- Comply with DECD and school policies including the School Discipline Policy.
Introduction
Brighton Secondary School students have the right to receive a quality education and to be provided with a safe, caring and supportive environment for learning and behaviour. At Brighton Secondary School we want to create a learning community that:

- Provides an opportunity for all students to reach their learning potential
- Ensures the safety of staff and students
- Promotes student and staff wellbeing
- Fosters confidence, responsibility and self discipline
- Assists students who may exhibit challenging behaviours to accept responsibility for themselves and their actions
- Provides a social framework allowing every student to learn and succeed
- Cultivates integrity and mutual respect.

Student Code of Behaviour
In order to be able to provide each student with the opportunity to reach their potential, students should expect to:

- Be able to learn without distraction or interference from others
- Work in a safe environment
- Feel safe from harassment, bullying and discrimination
- Be shown respect by their peers and teachers
- Be empowered to take responsibility for their own behaviour and progress.

Our school values of Cooperation, Excellence, Fairness, Integrity, Respect and Responsibility are the foundation for building positive relationships and promoting responsible behaviour.

Cooperation
Listen, share ideas and get along with each other. Respond to others requests in a respectful manner.

Excellence
Believing that, “Near enough is not good enough”, and if we all do well, we excel. Our personal best equals excellence.

Fairness
When we treat others as we would like to be treated and we provide everyone with opportunities to succeed, we are showing fairness.

Integrity
When we do what we know is the right thing to do and we are true to ourselves without taking advantage of others.

Respect
Having positive regard for yourself and treating others with consideration and regard. Respect another person’s right to hold views and express these. Be aware of others and their cultures, accept diversity, be included and include others.

Responsibility
Be accountable for one’s actions, resolve differences in constructive, peaceful ways, contribute to society and civic life and take care of the environment.

Responses To Inappropriate Behaviour

Brighton Secondary School expects responsible behaviour from all students. We encourage students to exercise self discipline, respect for the rights of others and to take responsibility for their own actions. When behaviour is inappropriate we are guided by the core concepts of restorative practices. Consequences are therefore applied with the following in mind:

- are appropriate in terms of the level of severity
- are consistent in application
- are mindful of special circumstances
- address any harm done (restitution where appropriate)
- facilitate the restoration of positive relationships between offender and offended.

In applying consequences for unacceptable student behaviour, the individual circumstances and actions of the student and the needs and rights of the school community will be considered. Access to alternative programs and input from other agencies may be necessary for students who repeatedly behave inappropriately and in unacceptable ways.
