School Enrolment Policy

Brighton Secondary School zone is located within a defined residential zone, which ensures restricted enrolment numbers. Students who live outside this zone may apply to attend the school through the Special Interest Music or Special Interest Volleyball programmes and also through general applications.

Sisters and brothers of students who currently attend the school are also ensured of enrolment - this is known as ‘sibling rights of enrolment’.

Upper limits or ‘ceilings’ are maintained for each year level and the total school capacity is limited to approximately 1200 students. Waiting lists are maintained and vacancies are filled from general applications, particularly in the Senior School - Years 11 and 12. Students are parents should contact the school for further information.
