From the Principal

I am pleased to announce that the Department for Education and Child Development has approved our new Year 8 Think Bright Program for advertisement. Students in Year 7 who live both inside and outside the zone may apply. Application forms are being printed and will be available in the near future.

The expansion project is rapidly developing. Refurbishment of the Home Economics offices, the Senior Learning Centre and Technical Studies areas has already begun which will ensure we have rooms for Fabric and Woodwork classes in the new year. The Learning Centre will probably be completed by the beginning of term 2 and the Recital Hall is due this year. We have purchased a Steinway grand piano for the Recital Hall. The "sale of the keys" will raise money for the music program in the new year. The Year 12 examinations are off-campus due to the Expansion Project.

After much consideration we believe the interactivity of the iPad and the excellent educational apps makes for a highly effective teaching and learning tool. The parents of Year 8 2014 students were surveyed about purchasing an iPad for their student to use in Years 8 and 9 before being issued with an Apple Laptop in Year 10 to Year 12. 80% of the 77% of Year 8 2014 parents who answered the survey, responded in the affirmative. Hence we are moving to iPads for Year 8 in 2014. The Year 9 students in 2014 will have the laptop but in 2015, the Year 9 students will continue with the iPad.

The new uniform supplier has designed improved trousers and shorts for both boys and girls. From consultation, the Uniform Committee decided to have the same colour for girls and boys. The dark charcoal is flattering as well as providing a contrast to the striped polo and jacket. The colour of the stripe on the polo has been changed to a green to match the navy and green in the jacket and the skirt. The shirt is white with a fine green pin stripe for girls and boys. The shirt will be white at a distance and provide contrast with the trousers, jumper, jacket and blazer to accommodate student requests for a more formal look.

The Year 10 students are able to be involved in Australian Business Week in week 8 (2nd December – 8th December). Every year, students are transformed into business entrepreneurs and the students, the staff and the business mentors are always amazed at the successful transformation. I urge parents to encourage their Year 10 student to sign up.

The 2013 Valedictory was an outstanding event at the Convention Centre in a larger auditorium which accommodated the students in the centre and the audience on three sides. The big screens made everyone feel close to the stage. The music performances demonstrated a variety of styles culminating in a choral medley performed by all the Year 12 music students. Congratulations to the organising team, the MCs Liam Andrews, Michaela Komarek, Nardine Shammaa and Jacob Whitelock and the Head Prefects, Lucie Soldan and Jack Newton.

Sadly the following day was disappointing when some students decided to engage in reckless behaviour that endangered students and staff. The English wing had to be closed because some Year 12 students ran through depositing oil and water thus creating a dangerous environment. A staff member slipped and fell breaking three bones in her hand and a hairline fracture in her arm.

The F1 in Schools National finalists (Alternate Racing team comprising Year 10 students Eleanor Pope, Emily Squires, Rhys Williams, Martin Oakley, Peter Baker-Hutton) left on 6th November to compete in the World Championships in Austin, Texas. We wish them well.

The Special Interest Music Tour made up of 6 staff, 22 parents, 2 old scholars and 89 students to China and Europe will commence on 22nd November – 6th December. Every year, students and staff were surveyed about purchasing an iPad for their student to use in Years 8 and 9 before being issued with an Apple Laptop in Year 10 to Year 12. 80% of the 77% of Year 8 2014 parents who answered the survey, responded in the affirmative. Hence we are moving to iPads for Year 8 in 2014. The Year 9 students in 2014 will have the laptop but in 2015, the Year 9 students will continue with the iPad.

The 2013 Valedictory was an outstanding event at the Convention Centre in a larger auditorium which accommodated the students in the centre and the audience on three sides. Olivia O’Neill
Principal

SA Public Teaching Award Winner

Jeffrey Kong, Head of Music at Brighton Secondary School, was a finalist in the inaugural South Australian Public Teaching Awards to honour teachers who had served the state’s students for more than 20 years. Jeffrey has taught music for 36 years at Brighton Secondary School. Congratulations.
Effective immediately, Brighton Secondary School Year 8 students will wear charcoal coloured trousers and shorts. The girls' shorts will be made from stretch material to improve fit. Boys will wear matching charcoal trousers.

The teal stripes on the polo shirt will be replaced with green to match the jumper and skirt. The plain green shirt will be replaced with a green and white pinstriped shirt.

All Year 8 students will purchase the new uniform. Students in all other year levels must purchase new items if replacing an item which no longer fits or has worn out. Old uniform items are no longer on sale.

Olivia O’Neill
Principal
Congratulations

Bradley Ratsch
Year 10, selected in the state under 15 Lacrosse team. The national championships were held in late September.

Mensur Cutahija
Year 11, selected in the State Under 18 Tabletennis team. The national championships were held in Melbourne in late September.

Lachlan Schultz
Year 11, selected in the Australian Junior Surfing Titles to be held in NSW.

Caspian Weekley
Year 9, selected in the Australian Junior Surfing Titles to be held in NSW.

Charlie McKay
Year 9, selected in the State under 15 National Lacrosse championships.

Jackson Holland
Year 9, selected in the Under 16 South Australian Bite Baseball Team to compete in the Australian National Youth Championships in Sydney in January.

Hugh Batchelor
Year 10, selected in the Under 16 South Australian Bite Baseball Team to compete in the Australian National Youth Championships in Sydney in January.

9-13 Dismissal, 1.00pm
13 Overseas Music tour returns
13 Last day of term 4, 1.00pm, dismissal

School Term Dates for 2014

Term 1 28th January – 11th April
Term 2 28th April – 4th July
Term 3 21st July – 26th September
Term 4 13th October – 12th December
On 4th October students from the Special Interest Music program performed at the South Australian Teaching Awards ceremony held at the National Wine Centre at which Jeffrey Kong, Head of Music, was acknowledged as a finalist in the SA Public Teaching Awards.

The following feedback was received from Virginia Barter, Policy & Project Officer, Workforce Recognition, Department for Education and Child Development.

“I wanted to pass on my thanks and congratulations to the wonderful musicians who performed so beautifully at the SA Public Teaching Awards ceremony at the National Wine Centre. As always, the calibre of the students’ performances was extremely impressive and many of the guests commented on the level of professionalism and talent, including our Master of Ceremonies, Amanda Blair. Other guests who enjoyed the musicians’ performance included the Hon Jay Weatherill MP, Premier of South Australia, Tony Harrison the Chief Executive of DECD, the Head of News of The Advertiser newspaper, presidents of the union and of several education associations, and of course all of our regional winners.

The music was highly professional, appropriate and enjoyable. These musicians are a credit to their teachers, to Brighton Secondary School, and collectively to DECD. It was a real pleasure to showcase them at this prestigious event to such an esteemed audience.

Once again, I extend my congratulations to the musicians for both their excellent musicianship and their professional attitude. I would also like to thank you for coordinating their attendance and performance at the event, as well as nurturing their musical talents.”
Jazz Cabaret

A fabulous night was had by all at the Brighton Secondary School Jazz Cabaret on Friday 25th October at The Grand Ballroom, Fulham Gardens.
Government House Visit

On the 19th September, Jack Newton and I were fortunate enough to attend the reception at Government House for school leaders where we met with His Excellency Rear Admiral Kevin Scarce, the Governor of South Australia, and his wife Elizabeth Anne Taylor.

Upon arrival we were given refreshments, and had the valuable opportunity to talk to other school leaders about the progress they had made in the year in their roles as school leaders. His Excellency Rear Admiral Kevin Scarce began the evening by telling us about how he became Governor and what his role as Governor involved. He spoke to us about the role of being a leader, and what a privilege it was for us to represent our school as leaders.

Despite the large number of student leaders that attended from both the public, private and independent school sectors, the Governor spoke individually to each of us throughout the evening.

It was a great privilege to have been invited to Government House, and both Jack and myself very much enjoyed the experience. It will undoubtedly provide us both with new ideas and inspiration to become better leaders to represent Brighton Secondary School.

Lucie Soldan
Head Prefect

Youth Activities
Activate Ramsay Place

Activate Ramsay Place aims to invigorate this unique public space through a series of activities that foster innovation and a sense of vibrancy. Ramsay Place is located between Colonnades shopping centre, Hopgood Theatre, Noarlunga TAFE and Onkaparinga Council Office at Noarlunga Centre.

Activate Ramsay Place runs from 8 October 2013 to 30 April 2014 featuring a range of events and activities from visual art, live music, busking, pop-ups and celebrations to demonstrations, exhibitions, come and try, launches, workshops and more.

Want to get involved? The possibilities are endless and could include martial arts, zumba, tai chi, card making, choirs, Christmas carols, school bands, recycled art, scouts, recreation activities and more. Help make a difference!

Please note: expressions of interest for January - April 2014 calendar close on 21 November 2013. For more information and to explore opportunities please contact Sussan Baldwin, Chair of Ramsay Placemaking Working Group on 0401 126 077 or sussan.baldwin@countryarts.org.au

Jake Grant
The Queen’s Scout Award is the highest youth award in the Scouting movement and has outstanding status within Scouting and the Community. The activities and requirements to achieve this award are inspiring and challenging.

Jake Grant has completed all aspects required to achieve this award, in the fields of Leadership, Outdoor Activities, Personal Growth and Community Involvement. A Queen’s Scout takes, on average, three years to complete and has 17 individual requirements. Just 2% of eligible Scouts achieve the Award, with an average of 15 presented each year in South Australia. Jake is the second Brighton Secondary School Year 12 student who has achieved this award this year.

In the leadership component Jake was a team member of the F1 World Championship in Abu Dhabi, representing Australia and has done Geocaching in Canada and Australia. For the outdoors component Jake assisted with the Monarto Zoo re-vegetation program.

Jake’s community involvement was assisting a Cub troop (7-10 year olds) for an extended period, and he had developed his own skills and knowledge through stage performances at BSS and St Phillips, helping at the church with serving and working bees, learning about banking and financial institutions, improving his swimming ability and learning how to prepare for and conduct a job interview with industry.

Jake’s achievements are outstanding and reflect his dedication, perseverance, skills, knowledge and leadership within the community. Congratulations.
Valedictory

Congratulations to the students listed below who won awards at the Year 12 Valedictory held at the Convention Centre on 23rd October.

Much Ado About Nothing
Toward the end of Term 3 our Year 12 Drama class presented their group production of William Shakespeare’s Much Ado About Nothing. In true Shakespearean style, Much Ado reveals the truth of the story before it really begins. In short, as the title implies, the audiences witnessed a whole lot of comical fuss, which amounted to very little in the end.

Like any good romantic comedy, the ingredients of which we are all familiar, eventually, after hurdling a myriad of obstacles our key guys and gals discovered what is most important – true love. In our production we aimed to bring our audience into the comedy and revelry of the play. We performed to extremely strong and supportive audiences, receiving so much positive feedback. The Year 12s truly rose to the challenge of interpreting Shakespeare and bringing it to life on a contemporary stage.
Adventures in Stone Carving with Wayan Dudug, Balinese artist.

This term students from years eight to ten are working on an exciting project with artist-in-residence, Dudug. The students have developed designs linking sustainability, culture and their own individual art ideas. The relief sculptures are now underway and Dudug has demonstrated traditional Balinese carving techniques that the students are now using. The Hebel stone is a soft stone that is easy to chisel and carve.

Dudug is also completing a large sculptural work for the school during his residency. He has held many exhibitions in Australia with his paintings and sculptures that reflect close connections to his Balinese traditions and heritage. The students have thoroughly enjoyed the experience of Balinese stone carving this term and the opportunity to learn and work with an experienced artist.

Yasmin Paterson, Coordinator Visual Arts
Boys Year 8/9 Knock Out Badminton

The Year 8/9 boys badminton team played against Glenunga and Parafield Gardens recently. Our boys represented Brighton very well, demonstrating excellent sportsmanship and endeavour in their games. Glenunga brought a very strong team and advanced through to the finals. We competed very well against Parafield Gardens, with both schools finishing with 4 rubbers. Parafield won on a count back of games, winning 9 games to 8.

Year 10 Self Defence

SIV

Earlier this term the Year 10 SIV boys and girls classes had an instructor come to the school for two double lessons for Self Defence classes. Topics covered included avoiding conflict, negotiation, self protection and defence techniques.
Science News

A group of year 9 students recently attended a talk by Professor Ian Frazer, the co-developer of the HPV vaccine. Students are with Professor Frazer at the talk, which was held at the RiAus in the city.

The group photo is from a Rotary Club of Brighton meeting where Emily Squires talked to members about her time at the Science Experience. Spencer Olds and Michelle Lennon talked about their time on the National Youth Science Forum, which was held in Canberra in January. Lynne Pullman is also shown. Thanks to Brighton Rotary for their sponsorship of the students.

Congratulations to Phoebe Chilman who has been successful in gaining a place in the National Youth Science Forum in January 2014. Phoebe is with her parents and Lynne Pullman, representing Brighton Rotary Club who has sponsored Phoebe.
Aquatics Excursion

On Wednesday 18th and Thursday 19th September the Outdoor Pursuits class travelled to Port Noarlunga on excursion to surf and kayak.

The Wednesday was a blustery day, with the group experiencing all four seasons as we learnt our kayaking skills on the Onkaparinga River. In the afternoon we went on a long paddle, training for the group work and safety that will be required on camp next term. We paddled into the 25 knot south-westerly wind, against the tide down to the mouth of the Onkaparinga River. By staying close to the leeward shore, we were able to reduce the effect of the wind and the current, which helped us make good progress. The group was very encouraging with one another and demonstrated good leadership as opportunities were presented. The tide was rushing in at the mouth of the river and some of the group seized the opportunity to learn some basic white water kayaking manoeuvres of ferry gliding and turns in the moving water, as well as catching some waves which was exciting.

On Thursday the wind changed around to a north westerly and was lighter in the morning, however it soon picked up and formed white caps on the ocean. The group encouraged and motivated each other and stayed out in the waves all day. Taylah had the ride of the day from right out the back and Kelsey had the stack of the day onto the sand. There was lots of laughter and some good surfing. Every group member made the most of the conditions and the instructors helped to develop their skills.

It was encouraging to see how well the group bonded and supported each other during this experience. We are looking forward to further developing our organisation, group work and self reliance on our future canoeing expedition.

Outdoor Pursuits Class
Minda Dunes

As a component of our environmental sustainability studies in Outdoor Pursuits, we have teamed up with the Holdfast Bay Council to help care for a section of the Minda sand dunes. On Friday 13th we met Mike Hemus the Coast and Biodiversity Officer for the Council, near the Somerton Surf Lifesaving club. After collecting a pair of gloves and a trowel each, our group carried some jerry cans of water and boxes of plant seedlings along the beach to the dunes. We took great care not to step on any of the existing plants in the dunes, as we settled in to plant the new seedlings.

Mike demonstrated the best technique for planting the indigenous seedlings in sand, in order for them to have the greatest chance of survival. He distributed plants including native pigface, knobby club rush, sweet apple-berry, native pelargonium, running postman, sea-berry bush, and coastal saltbush in accordance with the best aspect for growth. In doing so he considered how much direct sunlight each would get, exposure to the salty wind and amount of water required. Mike explained the important role these plants play in preventing erosion of the sand dunes.

We were careful to wear our gloves and have covered footwear, which was good because as we began to dig holes for our plants we found a number of broken glass bottles that thoughtless individuals had discarded. Each Friday we return to our area of the Minda dunes to remove invasive exotic weeds and check on the health of our plants.
Jumping Castle
Sunday Market 8th December 2013

The Special Interest Volleyball (SIV) Parent Committee plan to run a Jumping Castle at the BSS Sunday Market on the 8th Dec. This will be supported by volleyball students offering face painting, coloured hair spray and nail polishing, to raise funds for the SIV Program. In addition there will be a chance to win a new bicycle, by way of guessing how many jelly beans are in a jar, for a gold coin donation.

Ray White, Brighton, has agreed to sponsor the Jumping Castle at the Sunday Market event and has provided a new bicycle prize for the ‘guess the jelly bean’ prize. They will have staff in attendance, who can offer a suburb report in exchange for a gold coin donation and free property advice.

All money raised will go directly into the school SIV program fundraising account. Ashley Williams (SIV Parent Committee Member) is the point of contact for the event (Mobile 0450327772). If any other parents or students would like to be involved with face painting/helping out, please get in contact with her directly.

The winner of the bicycle will be announced at a School Assembly the following week.
Join the team at Angela Heesom Casting this summer for a comprehensive week exclusively designed for dedicated young actors aged 13-18.

Working direct with Hollywood Actors, Industry Professionals and the State’s leading Casting Agency, this 5 Day Program is a must for all aspiring Young Actors wanting to further their education in screen acting and performance craft.

Throughout this program, students will expand skills from the bottom up. Starting from the foundations of acting working right the way through to developing some of the most sophisticated acting techniques employed by professional Actors working in Hollywood today.

This fun syllabus is our most comprehensive program for teens yet and includes everything from Voice, Movement, Improvisation, The Body, Circus Skills, Characterization, Script Breakdown and Analysis, TV Presenting, Auditioning Skills & Acting for Screen - just to name a few!

Students will also receive 2 x days of exclusive training from LA-based actor, and ex-Neighbours star, Sam Clark; who will be joining our coaching team, sharing his invaluable knowledge with those wanting to follow in his footsteps.

Head Casting Director, Angela Heesom, will be teaching teens on everything screen craft. Having cast hundreds of TV commercials (including the latest SA Tourism TVC that just won Best Ad in the World at this year’s Cannes), over 40 Films to date (including Hey Hey Esther Blueburger, Wolf Creek, Look Both Ways, Beautiful Kate, December Boys, Rabbit Proof Fence) and TV Series’ for Network 10 (Sam Fox: Extreme Adventures), the ABC (The Anzac Girls) and SBS (Danger 5: Series 1 & 2) - there is no-one more qualified to learn from in South Australia when it comes to Acting for Screen. Plus we’ve also gathered a team of some of Adelaide’s best Actors and Trainers to help guide our students through this exciting and fun-filled the syllabus. If you want to learn from the best - this course is for you.

Students of all levels of experience are welcome to apply. To be considered, please email admin@heesomcasting.com or call us on 8394 2545. Places are limited.

Brighton Performing Arts Centre
FRINGE Performance Information 2014

FRINGE 2014: I am very excited to be working with Becky Blake, lead female vocalist for “Chunky Custard” and Ex Student and Old scholar of Brighton Secondary School, to put the Brighton Performing Arts Centre on the map for 2014 Adelaide FRINGE. We have the BPAC booked with acts performing every weekend of the month. This includes: Lift Dance, Reverb Theatre, Holdfast Bay Concert Band, Circo-Bats, Hyper-Dance and Wobbles the Clown.

Our main focus though is on one weekend at the end of February to bring the Fringe to Brighton in a big and exciting way!

Our vision for the weekend is to turn the centre into a community hub with a coffee shop, refreshments, book and activity zone in the foyer and family activities in the surrounding outside areas, utilizing local businesses. Sunday 2nd March will be a “Family Fun Day” at the BPAC complex with rides stalls and outside activities as well as the theatrical performances.

DATES 7 SHOWS: Thursday 27th February → Sunday 2nd March.

</table>

Family Fun Day on Sunday 2nd March will hopefully also include displays from Volleyball SA and Surf Lifesaving on the beach courts area adjacent, a bouncy castle, bungee trampoline, face painters and remote control cars. There will also be a sausage sizzle and drink vans.

The BPAC foyer will be transformed into a café space and coffee shop. The Brighton Library will have a display space and reading area complete with armchairs and beanbags etc.

For the evening shows, a licensed area will provide drinks and light snacks. There will be complimentary live entertainment between performances after 5pm on the Friday and on the Saturday afternoon and evening to encourage patrons to linger and enjoy the atmosphere.

We have Holdfast Bay Council support to help promote the weekend. Our aim is to get the word out about the facilities available to the general public at BPAC, so we can stage regular festival events at the centre. This will also let the local community and public know that they can utilise the space for their own events.

Please contact Ben Phillips at the school if you would like to help or be involved.

Is music part of your life?
Have you considered joining your local Concert Band?

THE CITY OF HOLDFAST BAY CONCERT BAND

We play a wide range of music and perform about 12 times a year

We also have a TRAINING BAND for people of all ages to learn to play in band or for those who have taken up a new instrument

Rehearsals are held on Thursday nights, in the City of Holdfast Bay Music Centre, Lipson Avenue, Seacliff

Training Band 6.30 - 7.30pm (juniors and families welcome)
Concert Band 7.45 -10.00pm (minimum standard Grade 4 AMEB)

Enquiries: ph. 0423 032276
Attention all secondary school teenagers who are full of energy, sleep heads, or somewhere in between!

We’d like to know how you SLEEP!
So we’re asking you to fill out a short, online questionnaire
Want to know more? Or want to fill out the survey?
Visit:
https://flinderspsychology.asia.qualtrics.com/SE/?SID=SV_d40RSOtlMrIsOhL
Completion of the survey will allow you to select a charity, which the researcher will donate money to on your behalf.
If you have any questions please contact Kate at kate.anderson@flinders.edu.au

Approval to advertise research in DECD sites is not to be interrupted as official department support for or endorsement of any aspect of the research or of its outcomes or recommendations. Such approval is granted conditional upon the researcher’s compliance with the Department’s Research Guidelines and national standards of ethical research conduct.
