

FEE PAYING INTERNATIONAL STUDENT PROGRAM ENROLMENT POLICY

At Brighton Secondary School we aim to provide international students with a study program which meets their individual needs, as well as providing the support necessary for students to succeed. The fees that you pay to International Education Services (IES) cover a number of administration costs as well as enrolment at this school – normal school fees and tuition fees for a standard study program. In some cases your home stay fees are also included as well as overseas student health cover (OSHC).

*N.B.A Macbook is required for all students in years 10 to 12, iPad for year 8 and 9 students. Please read **fees paid do not include** below for more information.

*N.B. International students will be charged for any resources or equipment borrowed and not returned in good condition from the school eg. text books, Macbook, calculators, musical instruments and sports uniforms etc.

International students who believe that their study program is not meeting their needs or who find themselves in any financial difficulty are invited to discuss the matter(s) with the Principal and/or the Coordinator International Student programs.

We would also like to remind students that as providers of educational programs, by law, Brighton Secondary School is required to monitor student adherence to the conditions of the student visa and temporary residency in Australia.

These include:

- Regular and prompt payment of fees to International Education Services.
- Regular attendance at lessons and submission of work.
- Satisfactory course achievement.
- Immediate notification of change of address and other contact information (including during holiday periods).
- Written explanation of any absence due to illness or other genuine reason.

- Written application to the International Student Program Coordinator or Manager for any absence of more than 1 day of a school term at least two weeks before the absence .
- Students must maintain full time enrolment.
- Students are not allowed to repeat a course more than once.

The school will monitor compliance with these conditions and is obliged to immediately report any non-compliance to International Education Services and the Department of Immigration and Citizenship.

Home stay family expectations:

It is an expectation that all students studying at Brighton Secondary School are accommodated in home stay arrangements approved and managed by International Education Services.

Applications to live independently are only approved in exceptional circumstances by the principal for students who:

- are over 18 years old and studying at year 12 level
- have completed at least 1 term of year 12 study
- have shown a good study ethic and sound academic performance.

Course approval:

Students have access to a wide curriculum, however approval to study a course at Stage 2 level will require satisfactory completion of the subject (or a related subject) at Stage 1.

We hope that you enjoy your stay with us and invite all international students and home stay parents to become fully involved in the wider aspects of school life at Brighton Secondary School.
