## BRIGHT THINKING AT BRIGHTON PROGRAMS BY APPLICATION

### THINK BRIGHT

Students may apply to enter the Think Bright Program which models personalised, collaborative and challenge-based learning strategies. There is a focus on creative and critical thinking in the Think Bright Program to enrich the learning experience of students who have demonstrated initiative, leadership, problem-solving capabilities and interest in rigorous learning.

### STEM BRIGHT

The STEM Bright Program at Brighton Secondary School has been developed to prepare students for careers and further study in the areas of science, technology, engineering and mathematics. In addition to learning specific curriculum content, STEM Bright encourages critical and creative thinking, challenge-based and collaborative learning by presenting students with real world problems and challenges to solve. Students are encouraged to apply for the STEM Bright Program if they are motivated to embrace challenges and opportunities in STEM, both within and outside of their STEM specific classes, through extracurricular projects, competitions, excursions and study tours.

### COMPANY BRIGHT

Year 8 students with an interest in the performing arts have the opportunity to audition for the Company Bright Program. Company Bright develops in-depth knowledge and practical skills in the performing arts through rigorous tailored programs that value curiosity, creativity, collaboration and critical thinking. With outstanding performance opportunities utilising the Brighton Performing Arts Centre's state-of-the-art technology, alongside mentoring by industry experts, our students develop exceptional skills in both production and performance.
