

INTERNATIONAL STUDENT PROGRAM DEVICE FEES AND PAYMENT INFORMATION

Graduate Program students

- Students in Year 7 and 8 will purchase a device and protective cover through the school at a total cost of approximately \$1295
- Students in Year 9 will loan a device and protective cover from the school at a cost of \$600 for the year
- Students in Year 10 to 12 will purchase a device and protective cover through the school at a total cost of \$1595
- Loan fees will be invoiced at the beginning of the program and must be paid within 7 days
- Device payment fees will be invoiced in equal instalments at the beginning of the year over the length of the program and must be paid within 7 days

Study Abroad students

- All students will loan a device and protective cover from the school for the length of their program
- The loan fee will be \$50 per term
- The loan fee will be invoiced at the beginning of the program and must be paid within 7 days

In the event of any damage, it will be the students' responsibility to pay any repair costs not covered by the device's warranty. All repairs will be organised by the Brighton Secondary School ICT department and the cost of repairs will be invoiced to the student.

Further information about devices, including specifications, can be found on the school's website <https://www.brightonss.sa.edu.au/our-school/digital-learning/>
