

# Anti-Bullying / Harassment Policy

In conjunction with the Responsible Behaviour policy

**Brighton  
Secondary  
School**

This policy is part of and to be read in conjunction with the Responsible Behaviour policy.

## Aims

- To reinforce within the school community what bullying is, and the fact that it is unacceptable.
- To ensure everyone within the school community is alert to signs and evidence of bullying and are aware of their responsibility to report bullying the appropriate authority whether as observer or victim.
- To ensure that all reported incidents of bullying are followed up appropriately and that support is given to both victims and perpetrators using a restorative approach to reach closure.
- To seek parental and peer-group support where appropriate.

Brighton Secondary School fosters a positive culture where bullying is not accepted. Everyone has the right to respect from others, the right to learn or to teach, and a right to feel safe and secure in their school environment.

Everyone has a responsibility to support others whilst respecting themselves. The school seeks to educate its community to tolerate, accept, embrace and learn from people of different genders and different ethnic and cultural backgrounds.

**A person is bullied when** they are intentionally exposed to negative or harmful actions by one or more people. Bullies are people who deliberately set out to tease, intimidate, exclude or threaten and/or hurt others REPEATEDLY. Bullying and teasing are clear forms of harassment.

## Examples of bullying behaviour:

### Physical bullying

Persistent pushing, hitting, bumping, kicking, obstructing, confining, practical jokes, stealing, damaging or interfering with personal property.

### Verbal bullying

Persistent threats of name calling, teasing, offensive language, spreading rumours about others, putting people down, making degrading comments about culture, race, physical appearance, gender, sexuality, religion or social background.

### Cyber bullying

The use of electronic communication to bully a person, typically by sending messages of an intimidating or threatening nature. It can be perpetrated at any time of the day or week. (Under regulations 40 and 41 of the Education Regulations 1997, principals can suspend or exclude a student who acts in a manner that threatens the safety or wellbeing of a student or member of staff, or another person associated with the school. These regulations do not preclude an event that occurs outside of school hours or off site).

### Social/psychological bullying

Exclusion is being left out of activities on purpose with the intention to hurt. Extortion is standover tactics, giving up possessions and threats.

### Racism and sexual harassment

Brighton Secondary School acknowledges that racism and sexual harassment are examples of bullying behaviour that warrant special mention. They may take the form of any of the types of bullying behaviour described above.
