

Uniform Policy

Providing a sense of connection to our school community

**Brighton
Secondary
School**

The Brighton Secondary School (BSS) Uniform Policy has been developed and approved by the school community through the Governing Council. The school expects the co-operation of all students, parents and staff in the implementation of the policy.

Rationale

In keeping with Brighton Secondary School's long tradition of excellence and respect, all students are expected to wear the Brighton Secondary School uniform with pride and in an appropriate manner. Wearing the school uniform provides a sense of connection to the school community, assists in the provision of a safe school environment, promotes equality and provides cost effective, durable clothing.

Sports Uniform

Students are required to wear the multi-purpose PE/sports uniform during practical PE lessons. Students must change into suitable clothing and footwear for physical education lessons and wear school uniform at all other times.

- BSS navy sports shorts
- BSS sports shirt (in house colours)
- BSS navy track pants
