

Stage 1 Exam Expectations

Semester 1, 2023

Brighton
Secondary
School

It is essential that students are familiar with the following exam expectations:

Attendance

It is important that your student **arrive at least 15 minutes prior** to the scheduled start time for the exam. Please check the Examination timetable carefully.

If your young person is unwell on the day of the exam, they will need to provide a medical certificate within 24 hours of their exam time to Claire Meatheringham.

Equipment

Both scribbling paper (SACE only) and writing paper will be supplied. Students are responsible for the provision of writing implements and calculators, including **graphics calculators**.

Students are advised to check that their calculator is in working order and they have spare new batteries.

No phones, smart watches, or electronic devices are allowed, and students are reminded to leave these belongings in their lockers.

All stationery must be in a **clear plastic refill pocket**.

Water bottles are allowed but must be clear, with no labels.

Students can have access to a **dictionary**.

Electronic examinations

Some subject exams are electronic, and will require students to bring their own device fully charged and ready for the examination. Subject teachers will communicate these requirements prior to the exams.

VET students

Students undertaking a VET course on the same day as a scheduled exam will be required to negotiate a “catch-up” session.
