

Stage 2 Exam Expectations

End of Year Exams, 2023

Brighton
Secondary
School

It is essential that students and families are familiar with the following exam expectations:

Attendance

It is important that your young person arrives at least 15 minutes prior to the scheduled start time for the exam. Please check the exam timetable carefully.

If your young person is unwell on the day of the exam, the school must be notified, and a medical certificate will need to be provided.

Equipment

Students are responsible for the provision of their own stationery and calculators, including graphic calculators. They are advised to check that their calculator is in working order and that they have new spare batteries.

All stationery must be in a clear plastic pocket.

Water bottles are allowed but must be clear with no labels.

No phones, smart watches, or electronic devices are allowed, and students are reminded to leave these belongings at home or in their lockers.

Dictionaries will be provided to students.

Electronic examinations

Some subject examinations are electronic and will require students to bring their own fully charged laptop to the examination. Spare devices will be provided if the need arises, and IT staff will be available for support.

For exams with a listening component, students are required to bring their own non-wireless earphones. Subject teachers will communicate these requirements to students prior to the exams.
