

Uniform Policy

Providing a sense of connection to our school community

**Brighton
Secondary
School**

The Brighton Secondary School (BSS) Uniform Policy has been developed and approved by the school community through the Governing Council. The school expects the support and co-operation of all students, families and staff in the implementation of the policy.

Rationale

All students are expected to wear the Brighton Secondary School uniform all day, every day with pride.

Wearing the uniform:

- Fosters a strong sense of connection and identity within the school community.
- Promotes a positive image of the school to the wider community.
- Supports student safety through easy identification on and off campus.
- Ensures students are appropriately dressed for the full range of school activities.
- Encourages equality among students by reducing peer pressure related to clothing.
- Provides a cost-effective, durable alternative to everyday clothing choices.
- Demonstrates the schools ASPIRE values.

Regular School Uniform

In response to student consultation, BSS provides a range of options that students can wear for the regular school uniform. Providing these options, which are listed on page 2 and pictured on page 3, aims to provide flexibility and personal choice for our students. Students should wear uniform items that are appropriate for the weather and scheduled lessons on any given day, and that suit their individual needs and preferences. Regular school uniform should be worn at all school events and excursions, including before and after school commitments, unless otherwise specified.

Physical Education (PE) and Special Interest Volleyball (SIV) School Uniforms

Students may wear their PE or SIV uniform for the entire school day when they have a scheduled PE or SIV lesson. These uniforms are listed on Page 2 and pictured on Page 4 and are designed to support comfort and movement in keeping with the physical nature of these activities.

- Appropriate footwear, such as sneakers, must be worn as part of the PE/SIV uniform
- School jumpers or jackets may be worn over the top for added warmth.

General uniform expectations

- Students must wear either full Regular School Uniform or full PE/SIV Uniform and cannot mix items from both uniforms.
- Students must wear enclosed school shoes (not sandals or slides) for practical subjects including Music, Science, and Technologies subjects.
- The length of the school shorts, skirt and dress should be no shorter than the student's fingertips when their arms are placed by their sides .
- Non-uniform long sleeve tops worn as a layer underneath the school uniform should not be visible
- Jewellery, piercings, and make-up should be discreet .
- Uniforms for sports teams must be worn when representing the school and are available to loan or purchase.

Special uniform items available for purchase from the school

Information regarding the opportunity to purchase the following items from the school will be distributed to families throughout the year:

- Year 12 polo shirts and jumpers – can be worn by current Year 12 students only.
- House Captains' polo shirts – can be worn by House Captains as part of their school uniform.
- Special Interest Music jacket – to be worn by students on endorsed camps and excursions only.
